

## **X-Kleen Floor Cleaner/Degreaser**

**X-Kleen** is a surfactant based aqueous cleaner/degreaser that chemically emulsifies anything organic such as grease, oil, ink, coolants etc. **X-Kleen** is designed for floor cleaning and meets the highest standards set for material compatibility, environmental, health and safety. **X-Kleen** can be used in mop bucket or automatic floor scrubber without causing any treatment issues in the waste water processing system, damage to the floor scrubber or leaving any residue.

### **KEY PERFORMANCE BENEFITS**

- Quickly removes grease, oils, carbonaceous soils and other soils.
- Doesn't contain any chelating ingredients such as EDTA, phosphates, caustics or chlorinated solvents.
- Contains no hazardous ingredients such as glycol ethers, and is environmentally safe.
- No HAPS (V.O.C. >20g/l).
- Tested non-detectable for sodium, bromide, chloride, fluoride, nitrate, nitrite, orthophosphate and sulfates.
- Compatible with microbial bacterial agents.
- Cleaner / degreaser designed to remove organics from any surface compatible with water.
- Contains no silicone to interfere with new coatings or paint.
- Safe for use in automatic floor scrubbers and will not attack seals.

### **PHYSICAL AND CHEMICAL CHARACTERISTICS**

Appearance:	Clear
pH (use dilution)	8.4
Form:	Liquid

### **MIXING RECOMMENDATION:**

For mop and bucket cleaning: Use at 17:1  
For walk behind floor scrubber: Use at 30:1  
For riding floor scrubber: Use at 50:1

### **APPLICATIONS:**

Designed for use with a mop & bucket and automatic floor scrubber.

### **PACKAGING**

Product is available in 5-gallon pails, 55-gallon non-returnable drums and 275 and 330-gallon non-returnable totes.
